

annotation data items to generate modified display data, wherein said user can see both said visual historical price chart as well as such user-supplied annotation items in said window of said browser program using said modified display data.

REMARKS

Claims 75-82 have been cancelled without prejudice or disclaimer (claims 1-74 and 83-88 being previously cancelled). Independent claim 89 has been amended to correct minor errors in the claims including typographical errors. New claims 94-97 have been added, which depend from allowed claim 89. New independent claim 98 has been added, which is similar to claim 89. The Examiner has indicated that claims 89-93 are allowable over the prior art of record. Claims 89-98 are pending and, therefore, are believed to be in condition for allowance. A Notice of Allowance is earnestly requested.

Also, pursuant to a telephone call with the Examiner, Attorney for Applicant understands that the Office Action dated June 29, 2005 is Non-Final. The Examiner is invited to telephone Applicant's attorney (703-286-5303) to facilitate prosecution of this application.

Respectfully submitted,

Brake Hughes PLC
